# Belongly in f 2 y -

## The community for mental health professionals.

A free, secure space for mental health professionals to collaborate with and meet new colleagues, support each other with referrals and stay connected to a trusted network of peers.

**Join Today** 

**Learn More** 

Belongly is a secure private platform. Currently, we only accept US-based therapists.

#### **Connect**

Meet other psychologists, social workers, and mental health professionals who share your specialties, interests, and day-to-day challenges.

See who's on Belongly

### **Collaborate**

Consult on cases, securely discuss specific issues, and learn from a protected space. Help one another by giving and receiving professional support.

**Get Connected** 

### **Curate**

With Belongly, you can find and subscribe to the latest industry news, research, and curated articles you need to stay current and informed.

**Subscribe To Publications** 

### **Cultivate**

Grow your practice with referrals from the community, and develop your business with tools, advice, best practices, and continued training.

**Exchange Referrals**
